

13th AILCD International Architecture Design Competition
Design competition for a better and more peaceful world

Architecture Design Competition
High School Design for Kharkiv,
Ukraine

[Contents of the competition](#)

The NPO Asian Institute of Low Carbon Design (AILCD) is pleased to invite students and young architects aged under 35 from all over the world to take part in the 13th AILCD International Architecture Design Competition.

The theme of this year is “**High School Design for Kharkiv, Ukraine**”.

The competition addresses the problem of post-war Ukrainian urban planning in Kharkiv, Ukraine. The competition asks the students and young architects to re-design a destroyed educational building and its surrounding area in Kharkiv.

The topic of the competition is to create a high-quality modern lyceum considering the modern requirements of urbanism, comfort, and accessibility within the conditions of a historically formed city environment. It is required to search for the best solution of a high-quality urban composition and an original architectural design of a modern educational complex of the lyceum, in relation with the surroundings, access to the adjacent streets, on the same site of the destroyed lyceum.

- Total number of classes 49
- Total number of pedagogues 129
- Total number of students 1328
- Site area 2,3 ha

Organized by

NPO Asian Institute of Low Carbon Design AILCD
The University of Kitakyushu (Japan)

in cooperation with

Institute of Architecture and Design of Lviv Polytechnic National University (Ukraine)

Admission

Multidisciplinary teams of graduate (master and PhD students) and undergraduate students from architecture, landscape, civil engineering, and related disciplines are accepted.

Young architects aged under 35 are allowed to participate too.

Teams and individual entries are accepted. Teams of students can have up to 5 members, young architects can have up to 3 members in the team.

Only one project may be submitted per team.

Task of the competition

The main conceptual tasks of the competition are:

- 1) Creation of a high-quality example of an educational institution considering modern world trends in school education, comfort of learning and accessibility
- 2) Searching for high-quality urban composition and original design concepts
- 3) Formation of a structure of the educational complex in the context and scale of the existing area
- 4) Rethinking the transformation of the old Soviet schools and implementation of modern trends in the design of educational institutions

The proposals should also consider below requirements:

- New school building design
- Overall sustainable concept
- Green space design
- Proposals of renewable energy systems
- Connection with the surrounding area

International Jury Members

Bart Dewancker	Jury Chairman, Prof. The University of Kitakyushu (Japan)
Zhu Wang	Prof., Zhejiang University (China)
Yue Fan	Prof., Shenzhen University (China)
Dian Zhou	Prof., Xian Jiaotong University (China)
Shi Xinyu	Architect, Qingdao University of Technology (China)
Donny Koerniawan	Architect, Prof. Institut Teknologi Bandung (Indonesia)
Fritz Akhmad Nuzir	Architect, Bandar Lampung University (Indonesia)
Didit Novianto	Lecturer, Sepuluh Nopember Institute Technology (Indonesia)
Hiroatsu Fukuda	Prof., The University of Kitakyushu (Japan)
Hideo Takashima	Ass. Prof., Osaka University (Japan)
Yiyin Tsai	Prof., Chung Hua University (Taiwan)
Tanaphoom Wongbumru	Lecturer, Rajamangala University of Technology Thanyaburi (Thailand)
Oleh Sliptsov	Prof., President of the Ukrainian Academy of Architecture (Ukraine)
Oksana Kashuba	Prof., Lviv Polytechnic National University (Ukraine)
Vyacheslav Yakubovskyy	Prof., Lviv Polytechnic National University (Ukraine)
Glib Ushakov	Prof., Kyiv National University of Construction and Architecture (Ukraine)
Tran Tuan Linh	Lecturer, University of Engineering and Technology Vietnam National University (Vietnam)

Time Schedule

September 7, 2023	Competition announcement, registration starting date
January 10, 2024	Deadline for inquiries
January 24, 2024	Registration deadline
February 1, 2024	Closing date for proposal submissions
February 24, 2024	Announcement winning proposals

Awards

First Prize
Second Prize
Third Prize
7 Honorable Mentions
(each category)
